The finished yearbook will only reflect about 2% of the total shots taken by the photographers at Worlds; We will make an effort to include as many folks as possible, however, We do not make any commitments to include everyone, and, in fact, we will suggest it is possible that NOT everyone who buys a book will be featured in the book.

We are not responsible for typographical errors, misidentification or omission of photos. Should a misidentification of names and photos or an omission occur, we will make good by publishing an apology on our Social Media outlet..

Shipping date: Books will be packed and shipped on a specified date communicated at the event. Note that this is the SHIPPING date, not the delivery date. If a book is lost or damaged, it is Your responsibility to immediately notify us in writing. The warranty does not include defects that result from inappropriate use of the merchandise by the client or negligence, and we may ask for photos of the damaged book or a complete return of the physically damaged book, packaged in a manner that it does not sustain additional damage on the return trip.

In the event you provide us an incorrect or incomplete mailing address, you are responsible for a new shipping charge. If a product is sent to an erroneous address and is lost, you must purchase another copy of the book. If the mistake in shipping is our fault, steps to rectify the situation will be taken.
