# OVERVIEW

## FANTASY DOCKDOGS

Fantasy DockDogs® is a virtual Iron Dog competition, challenging Sanctioned Facility Teams against each other, vying for the Title of Fantasy DockDogs® Iron Dog Champion.

- Sanctioned Facilities will form a local “Roster”, which will be a list of handlers and dogs that have committed to jump that week. This is open to all dogs, regardless of their Iron Dog Ability, but must be dogs that can physically jump at your local Sanctioned Facility.
- From this Roster, each week, designated Facility “Captains” will select 3 dogs from their local Sanctioned Facility Roster, in advance of the weeks jumps, and determine which discipline they will compete in as your Local Facility Team. 3 different dogs must be utilized to fill the Facility Team (One Dog per discipline). The Facility Team “Captains” will submit their selections by Friday at 12:00 Midnight EST.
- All Dogs on the roster, including the 3 Selected Facility Team Dogs, will have their Big Air, Speed Retrieve, and Extreme Vertical jumps judged and scored between Saturday-Saturday-Wednesday. You Must have your jumps judged by a Certified Judge! All of the scores must be submitted no later than Wednesday Night!
- Video Evidence of the pre-selected Dogs that make up the Week’s Facility Teams must be submitted. (3 Total Videos – 1 of Extreme Vertical, 1 of Big Air, 1 of Speed Retrieve.) These videos must be submitted no later than Wednesday at 12:00 Midnight EST.
- Sanctioned Facilities can change their Facility Team lineups between Weeks, but can’t change their selections until after the current week is scored.

# RULES

## FANTASY DOCKDOGS

Respecting Federal, State, and Local regulations, if you are able to go to your local sanctioned facility and can commit to jumping your jump for that week, you will register on the Fantasy DockDogs Competitors' Registration Page. This will compile the "Pool" of dogs that will be draft draft-eligible.

1. Jump sessions can be anytime from Saturday to Wednesday. In respect for social distancing, we do not encourage all teams to be present at the same time, but Sanctioned Facilities will be coordinating their own sessions depending on their availability for judging. This format will be different than normal standard operating procedures of DockDogs®.
2. Each facility will determine their own scheduling and formatting to keep within local regulations, safe social distancing, and proper sanitation after each dog jumps. We will be permitting Teams to jump back-to-back in all disciplines.
3. All scores will be manually judged/timed. In this format, only 1 Certified Judge is required. Teams are permitted to attempt to better their score in Big Air and Speed Retrieve as many times as they want, time permitting, and as long as a Judge is present and officially judging the jump. Extreme Vertical will be the exception where Teams can only attempt their best score once in a "single week's session".
4. Reach out to your local participating Sanctioned Facility to coordinate your availability in getting your judged jumps in!

# OVERVIEW

## DRAFT DOCKDOGS

Draft DockDogs is a weekly virtual DockDogs Draft, where “Drafters” are allotted points and can select up to 3 Dogs out of a weekly pool of Dogs (Pulled from your “Rosters” and will combine each Dog’s Total Iron Dog Score into a 3-Dog Total.)

**1 POINT = 1 FANTASY DRAFT DOLLAR**

Teams are given 1,000 Points Weekly to select from the Weekly Pool of Dogs that have committed to competing that week. Unused points do not carry over each week. Each dog will be given a ranking and value, determined by their 2019 End of Year Rankings in Iron Dog. If a team does not have an Iron Dog Ranking, they will be considered “Rookies” and will be given a lower value. These values will change as the season progresses and more data becomes available.

**DRAFT PICKS MUST BE IN  
NO LATER THAN  
WEDNESDAY AT 12:00 MIDNIGHT EST**
