

Dates/Times

August 18-19th, 2023

SANDY SCHEELS

East side of the North Parking Lot

We will have a large for vendors. You can still bring a tent, but it is not necessary. A table and flags or other branding signs would be better.

SETUP: Friday, Aug 18th

This can be done anytime between 9-11:30 am. Dock Dogs will be setting up the pool on Thursday. No vendor set ups before Friday. All vendors set up and tear down their own space. We do have cameras in our parking lots, but we will not be held responsible for items left in booths overnight.

Friday, Aug 18th:

Event Hours: 12-7 pm

Saturday, Aug 19th:

Set Up: before 10 am

Event Hours: 10 am- 5 pm

Teardown: 5 pm

Vendor Info

Please coordinate booth needs with Cherie. All vendors will have a 10x10 space unless communicated with Cherie. Your full trade show setup is recommended to brand your space.

Tablecloths, banners, or backdrops are great. You may bring swag, branded promo items, or anything to advertise your business. All merchandise (excluding food trucks) needs to be rung up through our registers inside. Please do not sell merchandise that is available inside SCHEELS at your booth.

Vendors consent to being present during all operating hours of the event.

Power is extremely limited and first priority will be given to electronics vendors. FCFS after priority vendors.

SCHEELS will be hosting a giveaway. If you would like to add product to this giveaway, please communicate that with Cherie prior to August 14th.
