San Diego County Fair Address:

2260 Jimmy Durante Blvd
Del Mar, CA 92014

How to Access the Arena:

- From the 15 Freeway, travel West on Via de la Valle.
- Turn left onto Jimmy Durante Boulevard. You should make sure you are in the far right turn lane.
- After turning left, take an immediate right and enter the Stable Gate.
- Once you reach the guard station you will tell them you are with Dock Dogs and they will send you to a check-in station, where you will have to complete a waiver.
- By completing a waiver, you will receive a wristband that must be attached to the leash or collar of your dog for visibility of our security team showing you dog has received

clearance. You will also receive all necessary entrance credentials and parking passes.
(see map)

After the check-in you will follow the map around the buildings to the parking area. Parking is limited, so we are asking groups to carpool, if possible, and to try not to bring oversized vehicles.

Once parked, please make sure the wristband is visible and on your dog's collar or leash, you can then enter the arena complex.
